

## Peirce, Charles Sanders (1839 – 1914)

All the progress we have made in philosophy, that is, all that has been made since the Greeks, is the result of that methodical skepticism which is the first element of human freedom.

### Works

- 1878 Photometric Researches
- 1883 Studies in Logic by Members of the Johns Hopkins University
- 1923 Chance, Love, and Logic: Philosophical Essays
- 1931 Collected Papers of Charles Sanders Peirce, Volume 1, Principles of Philosophy (published 1931-1958)
